Comes now, Jonathan Lee Riches a/k/a Bernard L. Madoff d/b/a
Bernie Madoff, I face imminent danger and bodily harm. The Defendants
are in a mega conspiracy. So gigantic, none can fathom what this
movie Alice in Wonderland has ripped my life apart, ruined my hopes
and dreams, and the Defendants caused me to commit identity theft in
Chattanooga and it grew into a national crime spree. Defendants are
responsible for my current irrational behaviors and negative thoughts.
This goes way back in the 1980's while I was a little orphan in a wayward
Boys house on Georgia Ave in Chattanooga. The House I stayed at with
little Rascals we all watched Alice in Wonderland in the VCR on VHS.
I was hypnotized by the Alice in Wonderland and so disturbed that the
defendants caused me to commit a variety of crimes since I was 14 years
old. The Defendants caused me to live a double life of good and evil when
I was a teenager I was a Boy Scout in the day but a computer hacker at night,

AGE 2

and a house burglar in the wee hours of the morning. In the Afternoons I served hot soup at the United Way then by 4pm I called in a Bomb threat to the Exton Square mall in Pennsylvania in 1996 and got arrested for it, this was because of the Defendants Tweedle Dee and Tweedle Dum. Look at my Prison mug shot, I considered Tweedle Dee and Tweedle Dum my Idol where I dressed as them in Oshi-na-goshi's and robbed Blockbuster video stores in Tennessee on Johnny Depps credit card to get Alice in Wonderland Duds where I would isolate myself in a rabbit hole next to the ground hog in Pennsylvania, and the movie got me so scared I was scared to come out to see my shadow. Inside my cubby hole, defendants caused me to live a Fantasy life, Defendant Tim Burton promised me a lead roll in the upcoming movie, I was going to be the "Johnny Depp of Identity Theft" where I stole Alice's Identity and took Willy Wonka to Wolly World. I'm so Pissed off right now because Alice AKA Mia Wasikowska was a prison Pen pal of mine, I met her on Craigslist Massage service, she was suppose to have Anne Hathaway's old Boyfriend use Vatican money to come to the Federal Medical center in Beautiful Lexington Kentucky to give me a oil down, she promised to bail me out of Jail with her acting Salary, instead I seen Defendants Wasikowska, Hathaway and writer Woolverton snorting cocaine with Bozo the Clown at the Oscars and in Tinseltown Alleys and in the foothills of the Rockies drinking Coors. Defendants enabled Carol Megrowitz to assault me with a clothes hanger in a Tampa T.J. Maxx. The Defendants stole my friend Adrian Pasdar who is not my hero anymore. My mind is a Wonderland Because of Defendants, they have me lost wondering in the Bermuda Triangle, The Knave of hearts took my Kellogg's Pop-tarts on 6-6-6, and I was subjected to Mercury Poisoning and mercury poisoning by Johnny Depp before Chrysler went bankrupt because my Ponzi money financed their

operations inside my wonderland. Linda Woolverton promised to write and publish all of my lawsuits world wide if I promised to donate my kidney to her uncle and 3 of my toes to her one sister.
